ZERO FIT get your body into shape!

ZERO FIT utilizes radio waves and electromagnetic waves in the air, arranges the mind and body with artificially created "zero magnetic field", heals the body tiredness and pain.

What's Zerjiba ? 「HEALING ZERO FIELD®」

ZERO FIT incorporates a zero magnetic field generation circuit, which absorbs and utilizes radio waves and electromagnetic waves in the living environment to create an energy field very close to the power spot. That is "zero magnetic field". "Zero magnetic field" gives various good effects to the human body.

Effects of ZERO FIT

There are three major effects of zero magnetic field.

1. Stress relief 2. Relax 3. Improvement of antioxidant capacity

For each item we conducted a test for 60 minutes each.

Despite a short period of time the following results have come up.

- ◇ The degree of stress is reduced by 13% than usual
- ◇ Brain alpha wave doubled than normal
- ◇ 11% increase in antioxidant capacity

— Voices of customers —

"Shoulder, neck, waist pain sticks and it gets relieved the next day."

"My foot was heavy and there was swelling, I got my feet lighter when I stuck the seal."

"Because I had a stomach rough feeling, I stuck my stomach comfortably when I put it on the epigastrium."

—Mechanism of ZERO FIT—

Absorb radio waves and electromagnetic waves from the antenna and create zero magnetic field by flowing current in the coil.

B Reduction of stress experiment for biological body

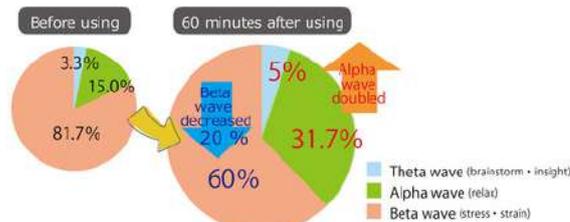

About 13% of stress decreased.
Stress degree decreased from "I have stress." to "I have a little bit of stress." by 13% in just 60 minutes.

C Antioxidant effect experiment for biological body.

About 11% of antioxidant power increased.
Antioxidant required for anti-aging increased by 11% in just 60 minutes.

C Measurement experiment of brain waves.
