

# HEALING AUDIO × BABY&KIDS

ONLY ONE SPEAKER WITH FULL OF MEMORIES

## CUSTOM-FABRICATED SPEAKER IN THE WORLD

SMILE - ONE copies the happy moment to the speaker as it is.

A piece waiting in the belly to be born.  
One piece that was born safely.  
One piece of a heart pounding to enter nursery school and kindergarten.  
A piece that I wore a clothes at Shichigosan three and stretched a little.

From the moment the child is given life to the adult,  
I will present a lot of memories to my parents.

Please do not forget such precious memories  
Why not leave it as only one speaker in the world?

## —MUSIC MAKE CHILDREN GROW —

Good quality music brings many good things to children.  
It is said that when you are touching music since childhood, your sensitivity to voice increases and you are good at distinguishing words. Also, music can stimulate and stimulate the development of nerve pathways.

## —CHOOSING TO CHOOSE A GOOD QUALITY SOUND—

Currently speakers alone have many kinds, performance, price and design are also various. There are many inexpensive and useful ones, but on the other hand the quality of the sound falls. SMILE-ONE is not inexpensive and is not very convenient. However, the sound quality resonates to the mind and body which are not found in other companies' speakers.

Why not choose prices and convenience for children,  
good quality sound?

## —TONE OF SMILE-ONE—

SMILE-ONE is rich and soft tone full of heart, "It is not fatigued even if listening for a long time", "It is not only from the ear but can be felt by the body" is characterized. Envelop the whole space spreading natural sounds, and instantly guide all people listening to the healing space. It is highly recommended for those who enjoy music with the whole family including children.
